

SERAFINO

McLAREN VALE

## Serafino Shiraz 2008

### **THE *Fruit***

We selected the grapes from the family owned Serafino Estate in McLaren Vale and our premium Sharktooth and Little Road vineyards.

### **THE *Winemaking***

This premium Shiraz has been matured in seasoned French & American Oak for 18 months. To ensure maximum flavour we use natural, minimum processing and filtration, which can result in a harmless residual crust that may adhere to the bottle.

### **The *Tasting Note***

This vibrant Shiraz exhibits hints of dark chocolate and juicy plums that linger on the palate. A sultry crimson appearance indicates its strength as a full-bodied vintage with a blend of ripe fruit and spicy undertones.

Cellaring in the right conditions for 5 to 7 years will enhance flavour or can be enjoyed today as an accompanying wine to a juicy sirloin steak.
