2010 SEMILLON SAUVIGNON BLANC

Intense aromas of freshly cut hay, lemon grass, lemon sorbet with a subtle musk floral background. The palate is fresh with lovely herbaceous characters leading the way, with some clean lemon zest providing some length. The palate is crisp and clean, full of freshly cut pineapple and lemon grass, with a nice clean acid keeping the finish crisp and dry.

Enjoy with a grilled lemon / lime infused chicken dish or a fillet of grilled lobster.
