OF COONAWARRA

Wish Blanc de Blancs

Rex Watson has a vision and passion to produce exceptional wine from the Coonawarra Region to be enjoyed at every occasion. The unique soils and cool climate of Coonawarra consistently produce some of Australia's best quality wines.

VINTAGE

2007 was a quite a dry vintage that provided ideal fruit ripeness with fabulous natural acidity for the chardonnay base wine.

WINEMAKING

Selected harvesting ensured the grapes were in excellent condition and possessed the desired fruit flavours. After a cool primary fermentation the Blanc de Blancs was bottle fermented for 6 months on lees prior to bottling and labeling.

COLOUR

Very pale straw with a distinct green tinge. Light delicate bubbles.

BOUQUET

Fresh lemon, lime and citrus aromas with a slight complex edge.

PALATE

Delightful lemon fruit flavours with light bubbles that fill the mouth.

SUGGESTED FOOD

Enjoy with barbequed crayfish tails with a twist of lemon.

CELLARING

A very attractive wine, the blanc de blancs has longevity and will reward with careful cellaring.
